The prison ministry is a combination of two separate ministries Mount Sinai Prison Ministry and People of the way Ministries the two ministries combined about 6 years ago, Mount Sinai Prison Ministries was the headed by Elder Larry Ford who is still a member of both ministries and is comprised of about 16 Mount Sinai loyal members, People of the Way Ministries was formed about eight or nine years ago and it's members consist of about thirty five volunteers from about 8 different churches including Mount Sinai.

We presently volunteer at Marion Correctional Institution, Grafton Correctional Institution, Cleveland House of Corrections, Cuyahoga Boys Facility and the Cuyahoga County Jail, We take the word of God to males, females and youth into these institutions, we also attempt to supply them with emergency help when they are released, we help them with finding housing, food, clothing, birth certificates, state IDs, spiritual counseling, mentoring and prayer.

Some of the other programs we provide are Christmas Food Baskets, Toys for Tots Program, Operation Safe Passage (arranging safe passage for males and females who have outstanding warrants), Baptizing male and female inmates incarcerated at the Cleveland House of Corrections, conducting marriages for inmates at state prison facilities, Visit Mount Sinai members or their relatives that find themselves incarcerated in greater Cleveland Jails.
